| <p>S. Lucia 2008</p> <p>www.legnani.eu/SLucia</p> <p>by joe ©</p> | <p>A group of Wind Chimes a simple thing</p> <p>a group of hanging metal pipes surrounding a clapper</p>  | <p>the clapper agitates and hit his friend pipes which billow and meet.</p> <p>Different notes diffuse into the air</p> <p>pipes of different length, different notes harmonised to each other to create a melody.</p>  | <p>An impetuous and strapping wind shakes the clapper and snarl and breaks the cables</p>  |
