E

Opening them, wide? Closing, barring them?
A windows with curtains
and flowers?

A window with bars?

Never too open,
never too close.

A way to
communicate,
to watch from
different points of
view,
to meet and
cooperate.

*Eyes, hears, mouth:
the doors and windows
of your heart:
print a nice smile on
them!*

E

Opening them, wide? Closing, barring them?
A windows with curtains
and flowers?

A window with bars?

Never too open,
never too close.

A way to
communicate,
to watch from
different points of
view,
to meet and
cooperate.

*Eyes, hears, mouth:
the doors and windows
of your heart:
print a nice smile on
them!*
